CHAPTER - 1

DEEPEST ENERGY OF THE COSMOS

(Artist: Kuan Yin)

Poem on World of Darkness

Free Me From This World of Darkness and Resentment! O Remover of Fear!

(Artist: Ivan Aivazovsky Date: 1817-1900)

Free me from this world of darkness and resentment! O remover of fear!

I have seen your mysticism manifested in the dense dark cloud.

The brilliance of your purple lightening shall make my soul proud.

Your supreme energy I have seen in the florescent blue lightening.

This dark world to me is no more frightening.

I have seen the extravaganza of your brilliance.

Of your mystic world let me have experience.

Free me from this world of darkness and resentment! O remover of fear!

O mother you are the wearer of the garland of dark clouds.

Only by your grace the bright world sprouts.

In the dark clouds I have seen your bright streak of lightening.

This mortal world to me is no more frightening.

Let my soul be lured by your mystic world.

Into your brilliant world let my soul be hurled.

Free me from this world of darkness and resentment! O remover of fear!

Hear the longing of my heart that deeply yearns for your mystic world.

Beyond the dark dense cloud lies your bright world.

Darkness and light are closely related.

Only by your grace this whole cosmos shall be satiated.

Only you can integrate my world that is divergent and contrary.

I know for sure that this darkness is temporary.

Free me from this world of darkness and resentment! O remover of fear!

You are the seed of all love and desire.

To see your face this whole cosmos shall conspire.

You are the source of all energy and transformation.

Only you have the true power of love and attraction.

You are the goddess of beauty and delight.

With the help of your light this dark world I can fight.

Free me from this world of darkness and resentment! O remover of fear!

Let me look deep into the eyes of your blossoming lotus.

Let your bright world be my soul's focus.

I have witnessed your majestic figure of gentle beauty.

O mother let me taste the embrace of your divinity.

I have seen the attractive power of your divine love.

I have seen the hues of dark bluish grey clouds in your world above.

Free me from this world of darkness and resentment! O remover of fear!

O mother you are the destroyer of all negative forces and darkness.

Let your spiritual light take me to your world of brightness.

Finally my soul has understood your cosmic play.

In your mystic world let me have a say.

I have witnessed the dance of your pure love.

I have heard the melodies of the magical cosmic flute that comes from above.

Free me from this world of darkness and resentment! O remover of fear!

O mother lure me with the harmonious music of the cosmic flute.

I have seen your world that is bright and cute.

Let me taste the ecstasy born out of your heavenly music.

The whole cosmos has witnessed your esoteric magic.

Every creature has heard the melodies of the magical flute.

Only by your grace the darkness of this world I can refute.

Free me from this world of darkness and resentment! O remover of fear!

Let there be severance and detachment from this sensory world.

Let there be disentanglement from this outer world.

Let me travel beyond all sensory connections.

Let me gladly accept all rejections.

Let there be a lack of my involvement in the outer world.

In your deep cosmic space let my soul be hurled.

Free me from this world of darkness and resentment! O remover of fear!

*(Artist: Bartolome Esteban Murillo
Date: 1617-1682)*

Your supreme reality is the source of all existence.

From my subconscious mind remove all the resistance.

The deeper lessons of your mystic world I have to understand and learn.

Your cosmic treasure my soul has to earn.

Let me traverse your ultimate realms of deep love.

I have heard the melodious magic that emanates from your world above.

Free me from this world of darkness and resentment! O remover of fear!

I have experienced objectivity in the bosom of your deep love.

I have had a glimpse of your bright world above.

Let the darkness stop its attempt to control my heart.

Your love play is displayed in every pure heart.

Let me be independent of all attachment.

Let my soul be free from all resentment.

Free me from this world of darkness and resentment! O remover of fear!

In you I can see the portrayal of both the manifest and un-manifest.

Pure devotion I shall experience in your heavenly nest.

I have witnessed your divine play that continually unfolds in your spiritual realm.

With pure devotion my soul you will overwhelm.

Let there be no strain of bias and partisanship in my devotion.

O mother free me from this world of illusion.

Free me from this world of darkness and resentment! O remover of fear!

In my consciousness let there be no subjectivity.

In my pure heart let there be objectivity.

Finally I shall transcend this world of illusion.

This darkness shall no more create any confusion.
Let there be youthful exuberance of your divine play.
In your cosmic spiritual realms let me have a say.
Free me from this world of darkness and resentment! O remover of fear!

Let my soul wear your cosmic mantle of divinity.
O mother take me into your world of certainty.
My soul has been blessed by your universal embrace.
I have witnessed compassion and cosmic joyousness in your face.
Let your arrows of love rain forth on this mortal earth.
Your blessings of beatitude and compassion let my soul unearth.
Free me from this world of darkness and resentment! O remover of fear!

The Goat's Head: *The goat itself is related to medieval superstitions about the behavior of witches, who were often depicted dancing with or riding on goats (who often represented Satan himself). The goat in that context is often seen as an ironic symbol of sexual repression (the association being a clear allusion to the unrestrained sexuality represented by this ancient fertility symbol), so one can see why the symbolism might appeal to modern Satanists. Poem on Darkness

Let the Darkness Stop Its Attempt To Control My Heart! O Protector of Wars!

(Artist: Nicholas Roerich Date: 1942)

Let the darkness stops its attempt to control my heart! O protector of wars!

I have witnessed flash of your violet lightening stinking mother earth.
All the darkness in my soul only you can unearth.
I have enjoyed the exotic flowers strung together by your mystic string.
Finally I have heard the heavenly bells ring.
O mother secretly lead me to your hearth of beatitude.

Let the sweet aroma of your floral garlands fill my heart with gratitude.

Let the darkness stops its attempt to control my heart! O protector of wars!

O mother I have seen the captivating aura of your mystic face.
Finally I have tasted the sweet aroma of your cosmic grace.
Through the clouds and rain I have reached your lotus feet.
In the mystic garden of divinity with you my soul shall meet.
I have witnessed the cosmic flowers in their right of abundance.
O mother invite me to your kingdom of permanence.

Let the darkness stops its attempt to control my heart! O protector of wars!

My eyes are glistening with your sweet love and deep devotion.
O mother only you can give me the pleasure of liberation.
Looking into your eyes I stand still and rooted to your amazing gaze.
Perfect tranquillity and blessings I can see on your face.
The storm of your swirling energy shall devour all my worldly fallacy.
O mother take me to your world of fantasy.

Let the darkness stops its attempt to control my heart! O protector of wars!

You are the essence and the sweetness of love.
For eternity I have been seeking the pleasures of your heaven above.
I seek the liberation and bliss of your esoteric kingdom.
I seek the eternal compassion of your fiefdom.
You are my celestial mother and compassionate friend.
Soon all the darkness shall end.

Let the darkness stops its attempt to control my heart! O protector of wars!

From you arises the storm of swirling energies.
O mother let your grace devour all my worldly fallacies.
Let my ears not be numbed by the deafening silence.
Let my soul not be hurt by the mortal violence.
It is your dream that manifests in my various lifetimes.
It is only by your grace that the heavenly bell chimes.

Let the darkness stops its attempt to control my heart! O protector of wars!

All the lessons of life let me learn at its deepest level.
With your grace I shall overcome all the darkness and upheaval.

You are the true form of all that which exists and is experienced.

For eternity the cycle of birth and death I have experienced.

You are the one who puts end to time.

You rule over death and the world sublime.

Let the darkness stops its attempt to control my heart! O protector of wars!

O mother you are the great destroyer of death.

With your grace bless my every breath.

You are the one who rules supreme over my worldly reality.

It is your mercy that moulds my divine personality.

Only you can assuage and alleviate all my fear, peril and disease.

In my dark world let your mystic light increase.

Let the darkness stops its attempt to control my heart! O protector of wars!

It is your benevolence that renders to me peace and prosperity.

You can provide me good fortune and protection from uncertainty.

In my life the inimical and adverse forces shall no more strengthen.

Only you can provide me the good health, longevity and divine protection.

To my soul only you can restore immortality.

O mother save me from the darkness and its fatality.

Let the darkness stops its attempt to control my heart! O protector of wars!

(Artist: Evelyn De Morgan Date: 1855-1919)

You are the invincible force and the vanquisher of time.

Only you can reveal the true essence of time.

For the whole cosmos you are the only source of subsistence.

From my soul only you can remove all the resistance.

You are the quintessence and bliss of every moment.

You are the originator of this divine firmament.

Let the darkness stops its attempt to control my heart! O protector of wars!

You are the one that can dissolve my world of duality.

To my soul only you can bestow integrity.
Let me inculcate all the virtues of discipline and self-control.
All the darkness in me only you can control.
Let me steadily pierce through the web of illusion.
O mother restore peace and calm and remove all confusion.
Let the darkness stops its attempt to control my heart! O protector of wars!

In this cosmos you are the causation of all results.
O mother guide me through my daily actions.
Restore peace and calm in my outer and inner life.
In me restore quietness and remove all the strife.
As a cosmic teacher give my soul its stern lessons.
Let me overcome the web of illusions.
Let the darkness stops its attempt to control my heart! O protector of wars!

In your presence all the constellations shall tremble.
Before your throne all the creatures shall assemble.
O mother you are the spirit of time.
You are the eye of eternity and the world sublime.
In every soul you are the inner witness.
Of all the actions you are the constant witness.
Let the darkness stops its attempt to control my heart! O protector of wars!

Let me move beyond all sorrow and ignorance.
To the world of darkness let me show resistance.
O mother heal me at the cosmic level.
In me let the darkness not cause any upheaval.
Only you can heal my deep consciousness.
Only you can remove the subtle impressions of my past actions.
Let the darkness stops its attempt to control my heart! O protector of wars!

Let the darkness not bring unhappiness, misfortune and despair.
With your light my soul you can repair.
You are the one that controls all dimensions of time.
You are the eternity that consumes all time.
All the hues and colors are absorbed by your darkness.

You hold the key to the world of brightness.

Let the darkness stops its attempt to control my heart! O protector of wars!

O mother help me traverse the inner realms of darkness.

Let your light pierce my darkness and show me the world of brightness.

As a great teacher help me learn perseverance, patience and endurance.

To my soul provide the divine assurance.

O mother you are the creator of all that is benevolent.

In your presence this mortal darkness cannot be violent.

Let the darkness stops its attempt to control my heart! O protector of wars!

Poem on Cosmic Light

With Your Cosmic Light My Soul You Can Repair! O Mother of the Lightning!

(Artist: Evelyn De Morgan
Date: 1855-1919)

With your cosmic light my soul you can repair! O mother of the lightning!

Your grace has carried me through the various cycles of existence.

From my soul you have removed all darkness and resistance.

Hear the cry of my innermost heart.

Let the darkness not cast a shadow on my heart.

Give me the protection of your divine force.

Let my soul emerge from all the shock and remorse.

With your cosmic light my soul you can repair! O mother of the lightning!

For eternity I have sought your maternal love and concern.

Your mercy and grace let my soul earn.

Hear my heartfelt plea for my soul's safety.

Only your mercy can provide me the surety.

Your vibrations let me feel in the dark night.

Let your grace restore my native sight.

With your cosmic light my soul you can repair! O mother of the lightening!

For long the dark shadows have played with my soul.

Only your miraculous attempt can help me reach my goal.

Let my soul not be decimated by the darkness.

Help my soul emerge into the world of brightness.

Let earnest passion, deep love and intrinsic truth unfold in my heart.

In harmony with your mystic world give my soul a divine start.

With your cosmic light my soul you can repair! O mother of the lightening!

My world you have filled with the fragrance of the mystic flowers.

O mother bathe my soul in your cosmic showers.

I have seen the smoke of incense and fragrance that arises from your mystic world.

Before me let your flag of divinity be unfurled.

With your benevolence my world can exist in harmony.

In your deep love this cosmos can move in harmony.

With your cosmic light my soul you can repair! O mother of the lightening!

O mother hear the prayers and the innermost resonance of my soul.

Let your deep love and intrinsic truth be my cosmic goal.

Let the innermost resonance of my prayers stir the cosmic realities.

Let your light unfold all the cosmic realities.

Let me travel beyond all outer forms and ritual.

Introduce me to your world that is spiritual.

With your cosmic light my soul you can repair! O mother of the lightening!

Let me understand and go beyond my shadow.

From the world of darkness let me not borrow.

O mother relieve me from the darkness that brings confusion, limitation and suffering.

To your mystic world my soul I am offering.

Make my being noble and filled with light.
